Dear Miss Sweeney:

It was nice to have your letter of the 21st enclosing your account of petty cash spent in the past year. I have today written Mrs. Bliss as follows:-

"Miss Sweeney has sent me one of her excellent accounts for the cash spent since July 1948 for subscriptions to various periodicals and societies, postcards and prints and postage, amounting to \$47.03 making an overdraft of \$22.03. May I have a check for Miss Sweeney for \$50. which will leave me a few pennies in the account here."

"Please do not be disappointed if you do not receive the list of Monographs as quickly as you want them. It is a good deal of a job to prepare such a list and as I am busy with reports for the Trustees, to Garden Clubs, a bulletin for the Arnold Arboretum, and a bulletin for Reef Point, there are not many spare minutes when my resting times have been attended to."

As soon as the check comes I will send you a check to reimburse you for amounts spent.

If you have a picture of *Heracleum Mantegazzianum* which you do not want there I should be glad to have it. We look forward to seeing Mrs. Bliss before long. The weather here is delightful just now after a rain which was much needed.

Yours ever sincerely,

*Beatrix Farrand*

*The garden is nice now that it is in  
a shower & w. w. wind.*
