1650 ORLANDO ROAD
SAN MARINO
CALIFORNIA.

Dear Mrs Sweeney -

Rather than delay a
couple of days with an
answer - on account of
having no secretary at hand -
I am inflicting a pen-
written note on you in
answer to your nice letter
of Mar 27th

The first question is -
Have you asked Mrs Blair
whether she prefers CATALOG
to CATALOGUE - ? I
will ask her to make sure.

Don't fuss - because there
is no sentence hanging over
you, & if there were, you & I
would both know we'd
never get finished on that
nice & excellent enterprise!
It just can't be done!

Yes, I do look forward to a
day & perhaps a day & a half
with Mr. & Mrs. Bliss & Mr.
Thacher at Sta. R. next
Tuesday the 8th of April -
By the way Bryce has my
full itinerary, so you can
copy it if you care to - You
can reach me here till April 6th
inclusive, then El Encanto

Sta. B. from 7 to 11 - inclusive,
a thin eastward -

Mr Bliss says he is a little
better, but I hope he won't try
the April journey to the east,
perhaps the medicals will prevent.

Your label is good - by all
means no lines, it mixes up
the effect & makes it less legible.
The arrangement is good -
dear, & instead of "aspect" I
suggest either Character -
or Type - or Description -
which I have listed in my per-
sonal order of preference.
By all means cards in two
columns - an excellent idea
& when the missing one is found,

his colour can change -

Just tell Mr Russell, if he
could cook up an excuse to
be in Washinton during my days
it would be splendid - Don't
forget this -

Forgive a hasty & ill
written note -

Yours ever sincerely,

Dealey Fairand
