

Easter Day -

THE VALLEY CLUB OF MONTECITO
SANTA BARBARA

This is too much to bear
with equanimity - as I had
hoped & hoped we might
see each other - This day that
means so much - We were
both of us in & in our rooms,
& each the depth of your light
thread, was the other's - & so
we have missed you, both

Your spirit is here, & you too
wanted to see us, & that's every-

thing -

You saw the camera
waiting for a bit of sunshine,
but it caught you instead -
I'm so glad the cyf is with
you & his brother - I wish I
could stay too -

Yours more than ever,

Trix
