Dearest Friend. It was good to see Mr.
Patterson on his return from D. O. & to hear
from him that you seemed well & in good
spirits, in spite of vagueness as to dates
& whithers of summer plans. The only de-
pressing news is that you seemed to think
R. P. was unlikely this season, it's just too
bad you can't see the now garlanded with
Rhododendron now, as you helped
re-arrange it & the 'pinks' like a sum-
mer dawn. Mr. P. says D. O. looks in greatly
beauty. A hug to Mr.  from their devoted
Trix
