Mlle. Malye, Secretary  
Mrs. Robert Woods Bliss  
4, rue Henri Moissan,  
Quai D'Orsay  
Paris, France

Dear Mademoiselle:

Indeed I did not think that Mrs. Bliss could possibly have had time to write about the Italian envelopes, but I was so eager that she should have them since she liked mine so much, that I was afraid the Italian dealer had been his usual dilatory self and neglected sending them.

It was nice to have the letter from you as I have heard so much of you from Mrs. Bliss and am eager to make your acquaintance.

With many thanks for your kind note, I am

Yours very truly,

Becky Farnand
