Dear Miss Sweeney:

I promised I wouldn't bother you about books again, but Mrs. Farrand has a copy of Mrs. McKelvey's *THE LILAC* offered to her - second hand but in good condition. She thinks you have it at Dumbarton but I can't find it on your lists. Will you let me know at once as if you haven't it we will get this one for you.

Yours sincerely,

Isabelle M. Storer
