Mrs. Isabelle M. Stover

Dear Mrs. Stover:

There have been received here at
Dumbarton Oaks from Elisabeth Woodburn, Matawan, N.J.
the following books. I suppose they have been ordered
by Mrs. Farrand, but have no advice concerning them.

- ✓ Four Hedges Clare Leighton
- ✓ Country Notes V. Sackville-West
- ✓ Garden of Pinks L.H. Bailey
- ✓ " Larkspurs do
- ✓ Rhododendrons for Everyone - F. Kingdon-Ward
- ✓ Colour Schemes for the Flower Garden - G. Jekyll
- ✓ Homes and Gardens in Old Virginia, Massie & Chri
- ✓ Mazes and Labrynth - W. H. Matthews
- ✓ The Scented Garden, Eleanor S. Rohde
- ✓ Gleanings in Old Garden Literature - W.C. Hazli
- ✓ Among the Hills - Reginald Farrer
- ✓ Gardens Ancient and Modern - A. Forbes Sievekin
- ✓ Azaleas, Kinds and Culture - H. Harold Hume
- ✓ The Clematis as a Garden Flower - Moore and Jac

I am adding them to my list and presume you
also. Haven't heard from Mrs. Farrand and don't know if M.
Bliss saw her in Boston or not as I haven't seen her either.
Hope you are feeling well and not too rushed.

Sincerely yours,
