Mrs. Isabelle M. Stover
Reef Point, Bar Harbor, Maine

Dear Mrs. Stover:

There has just been delivered
✓ to me three volumes of Small Country Houses of
Today by Sir Lawrence Weaver, published from 1922-25
by Country Life of London. These came from
Thomas Thorp of London in response to Mrs. Farrand's
recent order. I am adding them to my already bulging
office shelves.

Kind regards &c

Yours sincerely,
