John S. Thacher, Esq.,
Dumbarton Oaks
3203 S Street
Washington, D. C.

Dear Mr. Thacher:

It seems easier to send you this cheque now for Miss Sweeney's September salary than to have it on both of our minds for later on. It is as you know specifically given to Harvard for this one single purpose and is not to be credited to general funds. The later cheque for the January salary will come probably toward the end of the year.

Yours ever sincerely,

Beatrix Farrand
