

BEATRIX FARRAND
THE VALLEY CLUB OF MONTECITO
P. O. BOX 1140
SANTA BARBARA, CALIFORNIA

April 10, 1945-

Dearest of all Dears -

This clipping may give you pleasure
as it shows Casa Dorinda is very used &
giving pleasure as it has so often before -
Wonder if nice hat "peer" Stradivarius
came back to play for you in absentia -
Max is better since he has been

in hospital & has gained both weight
& strength - Dr. Miles is quite pleased &
we are now planning to leave for the east
some time toward the end of May - The
little cottage seems quite empty without
Max, but the valiant Clemmy is everything
that devotion can create - & that is much -

Everyone at the Club is most kind &
they say we may stay on as long as we please -

Yours ever & more than that
Trix
