

THE VALLEY CLUB OF MONTECITO  
SANTA BARBARA

My dearest dear -

This cyp - has been  
straining at his leash to come  
to you - You have seen him  
many a time in over sitting  
room, & he goes from us to you,  
to join his brother, & to bring you  
over deep affection, & daily  
gratitude for you & Robert, & over  
tender Easter wishes -
