Casa Dorinda,
Hot Springs Road,
Santa Barbara, California.

Dearest:

Am I right in thinking that you
and I both like CATALOGUE better than
CATALOG?

The reason for this frantic demand
is that good, trusty Sweeney is wrestling
with the final letterings and the cards,
and her headings are uniformly without the
UE.

Send me a wire, if you kindly will,
as she is having two or three specimen
cards made for me to look at, and I do not
want to misdirect her.

How nice it is going to be next
Tuesday with you and Thatcher!

Your

Trix
