

BEATRIX FARRAND  
LANDSCAPE GARDENER  
REEF POINT  
BAR HARBOR, MAINE

April 26, 1948

Dear Miss Sweeney:

Your letter of the 14th is long unanswered. Mrs. Farrand asks me to say that the Gerarde' herball is already sold, and that the Repton is not what she would advise buying for Dumbarton. I think this is all you need to know, and I suppose you will ask Miss Manks to send the bill for the books you buy to me here.

Spring has finally come I think and although it is cold the sun is getting higher.

My best to you,
